Dear Paul:

In answer to your letter of October 15, concerning William Barney, there have been no developments of which we are aware, further to the information provided by Joseph Daniszewski in his letter of June 12. There is some reason to believe he has left the immediate area.

We will, of course, keep you advised, should we learn anything more.

Sincerely,

Dear Nick:

We received information from you in June concerning the above named individual. It was indicated he had been arrested for child molestation.

There has probably been some legal action by this time. We would appreciate any newspaper clippings or court records which would substantiate the charges. We would also like to have the outcome of any legal action if it has been completed.

Thank you for your help.

Sincerely,

Paul Ernst, Director

Dear Joseph:

About a month ago, you sent us information concerning the above-named individual. I understand that you could not secure much information concerning this individual.

The Confidential Record Sheet is fine. It contains the information which is needed for identification purposes. We do, however, need more information related to the charges.

I would like copies of court records or newspaper clippings related to the charges. We would also like to know the outcome of any legal action which takes place so that we may place this in our file. This is most important to us if we are to be able to refuse registration from this office. It also becomes more important as any of us might move to other jobs and not have anyone in the council familiar with this particular situation.

Please let me know if we may be of help to you. If you have any problems, please do not hesitate to call.

Sincerely,

Paul Ernst, Director

Dear Nick:

Thank you for your letter of May 19 concerning the above-named individual. We will delete this registration from our files.

I am sure you will send us more information as this becomes available, but we would like any newspaper clippings or court records which are now available to you. This will help to set up a file and give us some substantiation for refusal of registration.

I am enclosing a Confidential Record Sheet which I would like to have completed, which will help us to identify Mr. Barney should he move and try to register in some other location.

Thank you for your help in protecting the youth of America.

Sincerely,
